Bride and Groom Trivia

Please take a moment and complete the following trivia questions and make up some of your own. Some of our past brides and grooms have used unique questions such as "Who hitchhiked across Germany?", "Who has seen every episode of Beverly Hills 90210?", "Who hit a police car while being pulled over?", and "How many Mustangs has the groom owned?" You will need about five more questions and answers than you have guest tables at your reception. Thank you and HAVE FUN!!

- 1) Where does the groom / bride like to go eat?*
- 2) What is the bride's / groom's favorite movie?*
- 3) What famous person did the bride / groom have a crush on in high school?*
